RE: TESTIMONIAL LETTER FOR TERAQUIP AGRICULTURAL SERVICES

Please be advised that we have been doing business with Teraquip Agricultural Services when they did a number of engine servicing, overhauls and supply of wear parts for both Sunny Graders and Tractors. To date their supplied parts and services they had done has proved to be very reliable and guaranteed.

Teraquip Agricultural Services have always been available and quick to offer any help as and when called upon to do so. I will not hesitate recommending them to anyone intending to do business with them.
